Sani-Cloth®
CLEANING AND DISINFECTANT

WIPE

Super Sani-Cloth® is a two in one solution ideal for cleaning and disinfecting in fast-paced environments that require short contact times and broad microorganism efficacy.

- + **Ready to use:** pre-dosed, premium, strong, low linting disposable cleaning and disinfection wipe, requiring no mixing or measuring, with no smear formulation.
- + **Proven efficacy:** effective against Coronavirus and Norovirus in as little as 60 seconds.
- + **Improved efficiencies:** one product to clean and disinfect, providing you with consistent and reliable results.
- + **Superior compatibility:** a quaternary ammonium, alcohol-based formulation which can be used on non-invasive medical devices; non-porous hard surfaces with supporting compatibility data available.
- + **Cost effective:** using the same solution for cleaning and disinfecting saves you time and money.
